

# VCM 2015 - Important Information

## How do I get my Race Documents?

After proper registration a confirmation was sent to your e-mail address. Please take this confirmation with you and hand it in at the registration desk.

### Has my registration been successful?

In case you have registered ONLINE, you can check the status of your registration [HERE](#). Just insert the Login and Password Data which you have chosen for your registration or which was sent to you by e-mail after completion of your registration.

### Letter of attorney for a third party to collect starter packages in the absolute exceptional case

If you do not have the possibility to pick up your race documents yourself, we offer the possibility in the absolute exceptional case that a friend of yours collects your race documents. Please send a short e-mail to [office@vienna-marathon.com](mailto:office@vienna-marathon.com) explaining why you want someone else to collect your race number. We get back to you as soon as possible with further information how to hand in your letter of attorney.

For participants in the relay marathon: The runner, who completed the registration, may collect start numbers for all four team members by showing his passport or identity card together with the letter of confirmation for the race. If another person wants to collect the start numbers of the relay team, a letter of attorney is needed, please send a short e-mail to [office@vienna-marathon.com](mailto:office@vienna-marathon.com) explaining why you want someone else to collect your race number. We get back to you if you contact us in time before race weekend with further instructions how to hand in your letter of attorney.

### It is forbidden to pass on race numbers:

Should you not be able to start at the event you have registered for, for any reason whatsoever, please do not pass on your race number to another person. Security measures are gaining in importance and your race number serves as your individual document for all persons in charge with your security. By passing on your personal starting number you might even endanger another person in case of emergency. Passing on of starting numbers is extremely unethical as the result of the event will be falsified. In case of proven evidence of breach of this rule the organizer may suspend both athletes from future events.

### Venue and time:

Vienna International Fair, Hall D (Trabrennstrasse, underground station „Krieau). Friday, April 10th, and Saturday, April 11th, 2015.

### Timekeeping chip:
