

General Info

The Tel Aviv Samsung Marathon is a leading sport event to take place again this spring in one of the most exciting Mediterranean cities.

Tel Aviv is among the leading metropolitan attractions in the world, integrating one of the most ancient port cities – Jaffa with vibrant modern Tel Aviv.

The city is a fascinating urban mixture of east and west uniquely rich in culture, business and entertainment.

The Tel Aviv Samsung Marathon is a multi-course event allowing runners in all levels and styles to take part. It is a yearly citywide celebration designed for professional long-distance runners as well as beginners.

This year's marathon offers the following courses: Marathon, Half Marathon, 10K, 5K, and a Kids Mini Marathon. The event will also include 42K Handcycle race for people with special needs.

Marathon runners will enjoy a beautiful run along the seashore and the main streets of Tel Aviv, an official UNESCO world heritage site, promising a one of a kind experience.

The Marathon is one of Tel Aviv's core international projects, this year 40,000 people are expected to participate, making it the most popular running event in Israel.
